From the Desk of the Director

SIES College of Management

-A Business Technological Institute of Relevance

Dear Prospective Students,

Welcome to SIES College of Management Studies (SIESCOMS), a premier institution committed to excellence in management and technology education. At SIESCOMS, we take pride in nurturing future leaders through a blend of academic rigor, industry relevance, and holistic development.

Our flagship programs, Master of Management Studies (MMS) and Master of Computer Applications (MCA), are highly regarded by students and recruiters alike. Supported by distinguished faculty across diverse functional areas and state-of-the-art infrastructure, we provide an enriching learning environment that encourages critical thinking, innovation, and professional growth. Our application-oriented teaching methodology is designed to equip students with the competencies, skills, and mindset required to excel in today's dynamic business landscape.

Beyond academics, we strongly believe in the all-round development of our students. Through industry projects, internships, field assignments, and experiential learning opportunities, students gain valuable practical exposure and develop the confidence to address real-world challenges. We also place significant emphasis on physical, emotional, and psychological well-being, ensuring a balanced and fulfilling educational journey.

A key strength of SIESCOMS is its extensive and accomplished alumni network. Regular interactions with our alumni provide students with

valuable industry insights, mentorship, and networking opportunities that enrich their learning experience and career prospects.

We are equally committed to fostering entrepreneurship and innovation. Our Entrepreneurship Cell supports aspiring entrepreneurs through various initiatives that guide them from ideation to execution, empowering them to transform their ideas into successful ventures.

At SIESCOMS, we believe that true success is measured not only by professional achievements but also by one's contribution to society. Through our SAHAYOG Committee and various social initiatives, students are encouraged to develop empathy, social responsibility, and a commitment to community service.

Our mission is to shape competent professionals, visionary leaders, responsible entrepreneurs, and socially conscious citizens. We invite bright and ambitious young minds to join us and become part of this transformative journey of learning, leadership, and growth.

I look forward to welcoming you to the SIESCOMS family.

Dr. Madhavi Dhole

Our Parentage

“ This Society should sincerely serve the cause of education and the educational needs of the common man of this cosmopolitan city ”

The South Indian Education Society (SIES) is one of the oldest educational societies in India. Founded in 1932 by Shri M.V. Venkateshwaran with a modest six-student beginning, SIES has grown to become a conglomerate of various institutions with over 15,000 students under its wing. In the process of imparting quality education, SIES has established High Schools, SIES College of Arts, Science and Commerce, SIES College of Management Studies, Centre for Excellence in Management Research and Development (CEMRD), SIES School of Packaging, SIES Indian Institute of Environment and SIES Graduate School of Technology (an Engineering institute). Two ventures of a different nature added to the SIES family are, SIES Sri Chandrasekarendra Saraswathi Veda Patashala and SIES Seniors' Home.

And the story of our achievements & Milestones continues...

Master of Computer Applications

Master of Computer Applications (MCA) was introduced in SIESCOMS in the year 2001. It is a two-year full-time program affiliated to the University of Mumbai.

The program brings out professionals who are not only conversant with technology but also application oriented as required for various industry domains. Apart from covering various latest technologies and platforms, the programme also develops the overall personality of the student due to the inclusion of courses on Soft Skills.

MCA is the only programme which has one full semester dedicated to Industry internship which enables a student to be industry ready and productive from the very next day he / she receives the MCA degree.

We at SIESCOMS believe in creating socially responsible citizens, and hence every MCA student is required to participate in social activities conducted under the banner of the department for a minimum period of 30 hours.

Award of Degree: The MCA Degree is awarded by the University of Mumbai on successful completion of the two years of the program and on passing all the subjects in every semester.

Minority Institution: SIES College of Management Studies (SIESCOMS) is a linguistic minority Tamil Institute. Hence 51% of seats are reserved for Maharashtra domicile Tamil linguistic Minority.

SIESCOMS does not charge any capitation fee for admission to any of its programs. The admissions to the above program under Institute level seats will be strictly on merit, and based on scores obtained by the candidates in MAH-MCA-CET conducted by State CET Cell, Mumbai. A few of the seats are reserved for the children of the permanent staff of SIES and its affiliated institutions.

SIES SHALL BE AMONGST THE MOST ADMIRABLE ACADEMIC INSTITUTION IN INDIA

WHAT DOES ADMIRATION MEAN?

A feeling of wonder,
pleasure or
approval

The act of looking
on or contemplating
with pleasure

Approval, Esteem,
Regard, Affection,
Veneration, Honour,
Idolisation, Reverence
- synonyms for
Admiration

OUR ADMIRATION SHALL FLOW FROM

The quality of our
efforts in the field of
education.

The quantity - the
reach, the expanse
and sweep of our
academics services.

Our respect for LAW
at all times.

The creation of an
SIES Family where a
full family tree would
have experienced
SIES Ethos as
students.

WHAT DOES THIS CONVEY FOR SIES?

We shall confine
ourselves to our core
competence i.e.
universalising
education.

We shall redefine the
boundaries of our
activities beyond
Mumbai, Navi Mumbai
to India.

We need not be Big
but shall endeavour to
be amongst the BEST.

We will be admired by
students, staff, and
society for our
commitment to
lifelong learning
through Education.

Our scale of admiration
shall be based on the
value addition we
provide during the
student days.

We shall ever remain
Student Centric for we
have no existence
without them.

THE ROAD TO 2032

Completely move from
a Trustee managed to
professionally
organised institution
under a Chief Executive
Officer and Secretary
with defined authority
and accountability
across several layers
of institutional
hierarchy.
